Commissioner for Patents

As per rule 1.97 (c), a fee of \$180.00 is required along with this request to have an Information Disclosure Statement considered because the case was under final rejection at the date the Information Disclosure Statement was filed, and the rule requires the fee if at any time the case becomes final in any way, including final rejection. There is an authorization to charge any fees required found in the transmittal letter of July 14, 2003, and therefore the fee will be charged and the Information Disclosure Statement will be considered (see initialed copy attached hereto).
